1. Applicant grants AMSCO Supply ("AMSCO") permission to obtain continuing periodic personal credit reports on any or all of the applicant's owner(s) who have provided a personal guarantee on applicant's indebtedness, unless there is no balance due AMSCO.
2. Our billing month typically closes the last working day of the month. Past due invoices are subject to a monthly past due service charge of 1.75% or the maximum allowed by law. For example, under normal terms, invoices from January would become past due on March 1st.
3. You will be furnished with a statement of account monthly unless there are no sums due. Late charges will print to the right of the aging boxes at the bottom of the statement. All payments on account will first be applied toward late charges, then towards the oldest sums due.
4. Title passes to the buyer at the time the merchandise is loaded on a common carrier (non-AMSCO) at our dock. The buyer assumes ownership at this time and responsibility for the merchandise regardless of condition on arrival. The buyer must accept all shipments and file necessary claims if a problem with shipment occurs. This includes direct shipments to your customers. It is understood that all transactions will be deemed as taking place at the branch location originating the order.
5. All items returned with permission for reasons other than an error on our part will be subject to a minimum 15% restocking fee plus freight if it is a non-stocking item, plus manufacturer's restocking fee, if applicable. Returns of items purchased from stock may be refused at the option of AMSCO if conditions merit. Credit may be issued only on those items that are basic stock items of standard manufacture and in new and saleable condition in the original packaging in good condition. All returned items must have the invoice or order number showing when they were purchased.
6. The customer understands that AMSCO makes available products from reputable manufacturers for resale, as is, with all faults. AMSCO does not make any warranties, express or implied, of fitness or merchantability for a particular use or purpose, and that AMSCO does not authorize any person, agent or employee to assume or make agreements or warranties in connection with the sale or use of such products. AMSCO shall not be liable for any incidental or consequential damages, and the customer assumes all risks and liabilities related to items used or resold singularly or in combination with other products.
7. In the event of default on the payment of any amount due or should this account be placed in the hands of any agency or attorney for collection or legal action, the customer agrees to pay an additional charge equal to the cost of collection, including but not limited to agency and attorney fees and court costs incurred, as permitted by laws governing these transactions.
8. In consideration of AMSCO extending credit to the signed applicant(s) for any materials after this date at the request of applicant(s) or its agents, the undersigned personal guarantor(s) ("Guarantor(s)") hereby personally guarantees unconditionally and irrevocably the prompt payment of any sums now or hereafter owed AMSCO for services rendered and/or materials supplied (plus accrued service charges, if applicable) at the request of the applicant(s) or its agents, whether said sums are or will be due AMSCO under open account, contract or otherwise, including but not limited to the costs of collection described in Paragraph 7 above. It is understood and agreed that credit, if extended, is to be on a continuing basis, and AMSCO shall not be obligated to notify the Guarantor(s) to the dates or amounts of any such credit. Guarantor(s) acknowledges and agrees that such credit may increase above the amount of the initial credit line requested on the Credit Application and the personal guarantee shall apply to any such increase. Guarantor(s) waives demand, notice of default and any extension of time or other forbearance which may be extended by AMSCO.
